CRAFT INSTRUCTOR TRAINING SCHEME (CITS)
SESSION 2025-26

About CITS:

Craft Instructor Training Scheme (CITS), a program designed to empower individuals with the skills and knowledge needed to become an instructor. The CITS courses are being conducted under the aegis of Directorate General of Training (DGT), Ministry of Skill Development and Entrepreneurship (MSDE). The objective of the scheme is to train instructor trainees in the techniques of transferring hands-on skills, in order to train semi-skilled/skilled manpower for industry.

The structure of the training program is meticulously crafted to provide comprehensive training in both technical skills and effective training methodologies. The CITS training program is designed to nurture and empower individuals with hands-on expertise, ensuring a seamless transfer of practical skills. It also places strong emphasis on pedagogy, enabling instructor trainees to become well-versed in the principles of teaching and learning. This integrated approach ensures that trainees are not only proficient in their trade but are also equipped with the instructional skills necessary for effective knowledge transfer and for training skilled manpower for the industry.

At present craft instructor training is being imparted in 41 Trades through 33 National Skill Training Institutes (NSTIs) which are Central Field Institutes & 120 IToTs.

On successful completion of the course trainee shall be awarded National Craft Instructor Certificate (NCIC), recognized by NCVET.

A candidate trained under CITS scheme will be capable of working as -
- An instructor in Industrial Training Institutes (ITIs) , imparting efficient skill training,
- A certified instructor for delivering training under short term and long term schemes,
- A training coordinator in industries to facilitate skill development among workers
- A professional who can compete in the field of vocational training in the global market.
- A developer of Written Instructional Materials (WIM) and e-learning content for vocational training.
